

Marilyn Boyle, M.A., M.T.S.

*Compassionate Counseling & Psychotherapy for Individuals,
Couples, Families, and Groups*

Welcome to my website.

I am a Tacoma area counselor and psychotherapist with over 20 years clinical experience. I offer an integrative approach to adults, young adults, and youth in individual, couple, family, or group therapy. I seek to foster emotional, mental, and relational growth in an atmosphere of trust and respect.

I am a Washington State Licensed Mental Health Counselor and a National Certified Counselor since 1989. I have worked extensively with a wide range of psychological, relationship and spiritual issues. My practice is inclusive and I enjoy working with persons from diverse communities.

If you are seeking therapy, I hope my website will help answer some of your questions as to whether I might be a good "fit" for you and your needs.

Please call or email me if you have further questions or would like to set up an appointment.
